

9 April 1954

I

MEMORANDUM FOR THE DIRECTOR:

Joe Harsch, CHRISTIAN SCIENCE MONITOR, and Frederic Collins, PROVIDENCE JOURNAL, would like to see you at your convenience sometime next week, 12 to 16 April. You saw them both together last year when they invited you to attend the Overseas Press Club. I didn't ask Joe, who made the call, what was on their minds.

Recommend you see them.

STANLEY J. GOGAN
